About the programme

This Advanced Level 6 Childcare ELC Certificate is designed with Early Years Educators/Lead Educators, and the children they will engage with in mind. The aim of the programme is to enable learners to develop the knowledge, skills, and competence to work as an Early Years Educator and/or Lead Educator, promoting and supporting the holistic needs of children from 0 to six years, and to take responsibility for a room or area within an Early Learning and Care setting.

How does the online course work

Once enrolled, you will receive an email containing your log in details to your online learning platform to start your course. Before your modules are released, you will be set up on a Chevron College email address and will need to complete a student support module which will give you an overview on topics such as IT skills, Assistive technology, navigate your way through the online learning platform, how to submit your assignments online, study skills, goals, mindfulness, academic writing skills, harvard referencing and supports available at Chevron College. All course materials such as notes, assignment briefs, garda vetting and insurance documents are contained within the online learning platform. No exams are required as all your course work will be continuous assessment. Each week you will be provided with course content to study in your own time and pace. Deadlines will be in place to submit your assignments. 4 scheduled virtual online evening webinars will take place every few weeks. Webinars are also recorded if you cannot attend.

Term 1	Term 2	Term 3
